Cutting files (Jillibean Soup free download on blog)

Instructions

Step One

Download the cutting files from the Jillibean Soup blog. Size cutting files to create a 9" circle. Separate the cutting files to cut the pie wedges individually. Select the papers for each of the slices and cut.

Step Two

Adhere the cut wedges of pattern paper, centered on the white cardstock background.

Step Three

Adhere images over pattern paper.

Step Four

Add title around the outer rim of the circle.

Step Five

Stamp the flowers on white cardstock or cut the flowers out of pattern paper using the free download from the Jillibean Soup blog.

Step Six

Finish the layout by adding journaling, coordinating stickers and wood veneers.
