I am so ready to decorate for Christmas. It's, of course, one of my favorite holiday's and I always look forward to creating handmade projects to display or as gifts for family and friends. Today, I am excited to share a wreath using Jillibean Soups Soup Staples papers and some Christmas Chestnut Soup Journaling sprouts & stickers.

I was completely inspired by this mirror wreath while visiting with friends in Baltimore earlier this fall. It was displayed in a super cute home decor store & I couldn't wait to get the chance to recreate it in my own way.
Cut our approx. 3 1/2" chipboard circle both sides with pattern paper, making sure to add at least 12" of twine to one side for hanging.

Trim a variety of lengths from the Soup Staples collection, Olive & Pink sugar...3" x 12", 4" x 12", 5.5" x12" & so on. You can decided on your desired lengths for variation. Then cut down each trip by 2 1/2" (ex. 3" x 2 1/2" or 5.5" x 2.5").

Using a pencil, tightly roll pieces of pattern papers, adding adhesive to end of paper. Make sure glue is set & paper is permanently secure.
Time to add the pixie sticks to the base.

Pinch one end of each pixie stick. Adhere pinched ends together with a tape runner.

You will end up with several groupings of pixie sticks that have been pinched and glued together.
Use a hot glue gun or a generous amount of [Helmar's 450 Quick Dry Adhesive](https://www.helmar.com.au/products/450-quick-dry-adhesive) to adhere each of grouping together. If you find you have open spaces, roll a few more pixie sticks and adhere them in between open spaces, for maximum coverage.

Once you have all the pixie sticks glued in place, turn wreath right side up and adhere (using glue gun or a generous amount of [Helmar's 450 Quick Dry Adhesive](https://www.helmar.com.au/products/450-quick-dry-adhesive)) another circle chipboard piece that measures approximately 2 1/2" round. Layer some [Christmas Chestnut Soup Journaling sprouts](https://www.helmar.com.au/products/christmas-chestnut-soup-journaling-sprouts) to the center of chipboard and pop-dot Christmas Chestnut Soup cardstock stickers.
