Step Two

Cut the brown cardstock 5"x1" and notch one end. Wrap natural twine around the brown cardstock strip and tie into a bow. Adhere to the front of the card.

Step Three

Stamp the snowman and sentiment on the Kraft paper. Punch out with circle punch. Punch an additional blank circle from the Kraft paper and set aside.

Step Four

Stamp again on white cardstock. Cut out the snowman

and adhere to the center of the Kraft circle. Color the nose and scarf with markers.

Step Five

From a sheet of Sweet Chestnuts paper, cut a 1"x12" strip. Score the strip every 1/4" and accordion fold. Adhere the ends together.

Step Six

Prepare the blank Kraft circle with adhesive. Press the accordion folded circle into the center of the Kraft circle to make a rosette. Once dry, adhere the stamped Kraft circle into center of the rosette.
